

ESTATISAN WORKSHOP

An Introduction to Inclusive Planning – Strategies for Special Needs Beneficiaries

In this workshop, you will learn about

1. The urgent need for well-equipped estate planners to assist caregivers in planning for their special need beneficiaries.
2. An overview of the estate planning process and where special needs planning fits in.
3. Possible solutions to the main concerns of the caregivers.
4. About SNTC, how it works, pros and cons.

Conducted by:

JOHN SIM

John Sim is a fervent believer in the power of education to enhance the value of those around us. As a professional trainer for courses in financial and estate planning, he leverages his Computer Science background to formulate consultative approaches with his clients. John has helped numerous families, demonstrating a particular affinity for those with special needs members.
