

ESTATISAN WORKSHOP

Strategies to Shield Your Heirs from Matrimonial Disputes

Objective:

In this workshop, we will delve into effective strategies for safeguarding family wealth against matrimonial disputes. Using real-life examples from newspaper articles, we will highlight common issues and risks faced by families, and provide actionable solutions to ensure your heirs' inheritance remains secure.

Content:

- Explore common scenarios and real-life examples where family wealth became vulnerable during matrimonial disputes.
- Evaluate different legal structures and financial planning tools available for asset protection.
- Provide guidance on navigating sensitive family discussions regarding inheritance and matrimonial protections.

WORKSHOP

**Date:**

Conducted by

ANG KOK CHIN

CFP®, AEPP®

With over a decade in the industry, Kok Chin is widely regarded as one of the top estate planners in Singapore. His career story mirrors his clients' financial journey and awareness – he started out advising clients on holistic financial planning but as more and more needed intimate advice on wealth transference to their children, Kok Chin honed his skills in estate and legacy planning.

Kok Chin also manages wealth and succession planning for several successful business owners and entrepreneurs, with the aim of helping them grow their family wealth as it is being passed on from Generation to Generations.
